4 Jurisdiction and governing law

Victoria and Commonwealth of Australia

#### **General Conditions**

#### 1. Effect of this Agreement

The Agreement applies in relation to any goods we sell you even if it is not signed and it overrides any inconsistent terms or conditions in any purchase orders or other documents you use (unless we specifically sign a document agreeing otherwise).

#### 2. Quotations

Prices and other details in any quotation, pro forma invoice or other document that we provide are only valid for 30 days or such other limited time period as stated in the document.

#### 3. Orders

You acknowledge that once you place an order with us, we may order or manufacture goods especially for you and we may not permit you to vary or cancel the order unless you compensate us for the losses we incur or we otherwise consent.

#### 4. Price and price increases

We will notify you of the price for the goods when you place your order. We may increase the price if there is an increase in our costs between the date of an order and the date the goods are ready for delivery. If this occurs, you may cancel the order but we will not be liable for any losses you incur in connection with the cancellation.

#### 5. **GS**7

Unless otherwise stated, the prices for the goods are exclusive of Goods and Services Tax (GST). You must pay GST at the same time and in the same manner as the consideration for the goods. We will give you a tax invoice showing the applicable GST.

#### 6. Delivery

We will use reasonable endeavours to deliver the goods to the delivery point and on the date requested in your order. However, we will not be liable for any losses you suffer as a result of a delay or failure to deliver the goods.

#### 7. Risk in the goods

Risk in the goods will pass to you when you take possession of them.

#### 8. Return of obviously defective goods

You must inspect the goods on delivery and may return them as defective if they:

- are not of *acceptable quality* (as defined in the Australian Consumer Law); or
- do not conform to an agreed specification.

The period for returning obviously defective goods is set out in the Key Terms. If you fail to return the goods (or notify us of any shortfall in the quantity delivered) within this period, you must pay for them in full despite any shortfall or defects (other than non-obvious or latent defects that you could not be reasonably expected to have identified within the time period).

We will cover the charges for returning the goods if **16.** we accept that they are defective.

#### 9. Payment terms

You must pay us for the goods on the *payment terms* in the Key Terms. However, if we consider (in our absolute discretion) that your creditworthiness is unsatisfactory or the amount would exceed our credit limit, we may require you to pay for the goods on or before delivery.

#### 10. Interest on late payments

If you fail to pay us strictly within the payment terms then you must pay the annual interest rate on late payments in the Key Terms. The interest will be calculated daily on the amount outstanding.

#### 11. Title and our security interest

Although you will assume the risk in the goods when you take possession, until you pay for them:

- we will retain ownership and title;
- you hold them on our behalf as fiduciary bailee; and
- if we request, you must return them or permit us to retake possession of them and we will not be any liable for any loss you suffer as a result.

However, you may dispose of the goods in the ordinary course of business on the basis that you will be taken to hold the proceeds of sale or trade on trust for us until you pay for them.

#### 12. Personal Property Securities Act (PPSA)

You acknowledge that under the Personal Property Securities Act 2009 Cth (*PPSA*):

- this Agreement constitutes a security agreement;
- you grant us a purchase money security interest in the goods and any proceeds; and
- we may register a financing statement on the Personal Property Securities Register (PPSR),

• section 275 – we are not required to provide interested persons with information relating to our security interest and neither are you.

#### 14. Terms defined in the PPSA

Terms defined in the PPSA (including purchase money security interest, verification statement, proceeds and various other terms) have the same meaning when used in this Agreement.

#### 15. Enforcement expenses

You must pay any reasonable expenses (including legal fees) we incur to enforce our rights under this Agreement.

#### Goods supplied on a wholesale basis
